:Secretary's Message :

"Building Tomorrow's Intellect " is the vision of TotSol Educational Academy (an Autonomous Institution, established and governed by "Social Welfare & Educational Trust of Baduria").

Vision of TotSol Educational Academy has to be an Institution of Excellence in higher teachers' education that continually responds to changing social realities through development.

The Institute will strive to inculcate quality teaching skills in young minds. Prepare them for the dynamic global teaching environment, create proactive teaching acumen with adequate knowledge and develop them into socially responsible teaching professionals, it will strive to become one among the "Teachers' Academic Institutes" through imparting high quality education and effective training, through dedicated faculty and the best available infrastructure.

To contribute to the nation through excellence in technical and teachers' Education and Resource.

To serve as a valuable resource centre for Institutes.

TotSol Educational Academy strives to achieve a level of quality that will match that of any higher educational institutions.

To enhance the quality of social life through propagation.

To meet our state's growing need for efficient and committed learner- centered teachers who make education accessible to all without consideration of caste ,creed or gender.

President's Message:

The B.Ed. and D.El.Ed. program at the College of Teacher Education provides a unique experience in Teacher Education. The program's hallmark is academic excellence, but it is also designed to be accessible & affordable.

The entire courses are dedicated to elevating the quality of Teacher Education in the State. Through its various activities, the College aspires to create an environment to assist the student teachers to realize their full potential to enable them to play their roles effectively in the society in which they live in.

Tot Sol Educational Academy is a premier institute of teacher training providing quality education with a noble mission to pursue excellence in the gamut of Teacher Education. It aims at attaining highest standards in its endeavors to switching to the establishment of this institution.

Apart from this, college provides a forum of interactions, to complement the potential and aspirations of the young teacher trainees by exposing them to the external gamut of the society.
